

FARMERS HERE OPPOSE WHEAT CONTROLS BUT CARRY IN U.S.

Adams County farmers Friday voted resoundingly against wheat quotas for 1955, as did the remainder of Pennsylvania, but they learned today that nationally the vote cast put quotas into effect for another year.

In a complete reversal of opinion in one year, Adams County wheat farmers cast 87 votes against wheat quotas for the coming year, and 32 votes in favor. Last year they voted 78 for and 44 against quotas.

Eighteen of the votes cast in the county Friday were challenged. Officials said some of those votes may be counted when they are checked for eligibility during the next four days.

Many Votes Challenged

Many votes throughout the entire 11-county district reporting to Adams County were challenged and represented principally men who voted last year, but whose wheat acreage had been reduced below 16 acres during the year, officials said. Persons with less than 16 acres were not permitted to vote in the referendum.

Farmers in the Gettysburg area voted ten in favor and 22 against quotas; in Biglerville the vote was one in favor and eight against; at Fairfield two favored, five opposed; Littlestown district had 28 votes against and seven favoring quotas; at New Oxford seven in favor and 14 opposed and at York Springs five in favor and ten opposed.

Conducting the referendum at Gettysburg were John Schwartz, Harry Lucenbaugh and Mrs. Pauline Crouse; at New Oxford, Guy Sanders; Samuel Dayhoff and Ross Stock; at Brantstown (Littlestown district) Lewis and Fred Klunk; Fairfield, Clarence Waybright, Robert Wenschoff and Allen Weikert. Biglerville's referendum board included Russell Hall, Melvin Miller and David March.

Cumberland Co. In Favor

The turn out of 137 to vote compared to 526 county wheat farmers who were eligible. The numbers eligible by district were: Gettysburg, 112; Fairfield, 21; Littlestown, 131; York Springs, 120; New Oxford, 122 and Biglerville, 20.

Of the 11 counties reporting to Raymond Connolly Jr., Biglerville, district official, at the ASC office on York St., all but one showed a vote against wheat quotas.

Cumberland County was the only one favoring, with 72 votes for and 63 against. Franklin County opposed, 126 to 62, the imposition of wheat quotas in 1955. York County also opposed, 163 to 96.

The vote in the 11 counties, Adams, Cumberland, Franklin, Lancaster, Perry, Juniata, Mifflin, Northumberland, Snyder, Union and York, showed 400 votes in favor, 758 opposed, and 190 challenged. Lancaster County voted 198 against, 72 for; Perry, 40 against, 33 for; Juniata, 15 for, 29 against; Mifflin, four favoring, 14 opposed; Northumberland 14 for, 21 against; Snyder, seven for 32 against; and Union, 20 for, 62 against.

Franklin Township Property Is Sold

Ruth V. and John L. Millard, executors of the will of Roy P. Funkhouser, late of Gettysburg, sold to William C. and Florence B. Decker, of Franklin Twp., for \$7,500, a one-acre property in Franklin Twp.

Herbert A. Taylor, administrator of the estate of Ellen E. Wildasin, late of Latimore Twp., and George Wildasin, sold to George H. and Florence M. Anderson, both of Latimore Twp., for \$1,720, two tracts of land in Latimore Twp., containing three and three-quarter acres.

John and Blanche Rebert and Ornan and Helen Rebert, Hamilton Twp., sold to Adams Electric Co-Operative, of Gettysburg, for \$225, a property in Hamilton Twp.

Two East Berlin Teachers At State

John B. Bechtel and Mrs. Mary K. Dissinger, East Berlin teachers, are among the 23 school men and women enrolled in the second Conservation Education Laboratory at the Pennsylvania State University, Dr. Thomas R. Porter, in charge of the program, said today.

The laboratory is designed for teachers interested in conservation work. Through field trips during the day and study and conference sessions at night, the teachers learn first-hand about conservation and methods by which it can be integrated into their teaching programs.

Musselman Pays Extra For Cherries

The C. H. Musselman Co. has announced in a letter to growers that it has raised the price of cherries to 10 1/2 cents per pound. The voluntary, one-cent price increase, as announced by President J. A. Hauser, is effective at once and is retroactive to the beginning of the season. The previous price was 9 1/2 cents.

In his letter to the growers President Hauser said: "Even though we are glad to pay a higher price for cherries, since it adds to growers' income, we are always concerned with protecting the consumer market for your cherries. We know other fruits from other areas compete vigorously for the buyers' dollar. Checks on cherries delivered heretofore will go out promptly."

LOCAL JAYCEES EXPECT 150 ON SUNDAY FLIGHT

Approximately 150 members and guests of the Aircraft Owners and Pilots Association are expected to fly into Gettysburg Sunday morning for a special-rate breakfast and tour of the Battlefield under sponsorship of the Junior Chamber of Commerce.

John Riddle, chairman of the "Flight To Gettysburg" program, said this morning that pilots from ten surrounding states, including Pennsylvania, are expected to set down at the Mummasburg Airport "from around 7 a.m. until shortly before noon."

Riddle said that immediately following an official welcome and registration at the airport, the group will be shuttled to the Peace Light Inn for a breakfast, returned to the airport, and then placed on a sightseeing Battlefield bus.

To Visit High Spots

Registration for the air-borne visitors will be \$5 for adults and \$2.50 for children under the age of 12 years. Breakfast, which will be paid out of the registration fee, will consist of ham and eggs, home fried potatoes, fruit juice, toast and coffee.

The Battlefield tour will include stop-overs at the National Cemetery, Eternal Light Peace Memorial, electric map and the Cyclorama. Transportation will be provided through the courtesy of Glenn C. Bream. Airport facilities were made available to the Jaycees by Richard Bircher.

The first buses are expected to return to the airport by mid-afternoon, after which, Jaycees said, the pilots and their guests may continue "on their own." Rain date is set for Sunday, August 1.

LICENSED TO WED

A marriage license has been issued at the court house to Stanley L. Baker, son of Mr. and Mrs. Clarence E. Baker, R. 3, and Charlotte Alma Bigham, daughter of Mr. and Mrs. Amos C. Bigham, Iron Springs.

WOMAN'S LEG IS BROKEN IN CRASH

Mr. and Mrs. James A. Meyers, proprietors of the Meyers Poultry Farm nearly four miles east of here, on the Lincoln Highway, were injured Friday morning just before dawn when the truck they were using to haul 400 dressed chickens to Philadelphia ran off the highway and broke off a utility line pole.

The crash occurred about 4:45 a.m., seven miles east of Lancaster on the Lincoln Highway.

Mr. Meyers, who was driving, said he fell asleep.

Mrs. Meyers, who also was asleep when the truck ran off the right side of the road, suffered a fracture of the left leg at the hip and is a patient in the Lancaster Hospital. She also suffered numerous cuts and bruises.

Her husband escaped with badly cut knees and a possible cracked rib. He was able to return home after hospital treatment.

The truck was nearly demolished. The load of chickens was gathered up by police and placed in storage at Lancaster.

FIREMEN TO STAND BY

Gettysburg Fire Chief Donald G. Jacobs today asked firemen to be present at the fire house at 7 o'clock Sunday morning to go to the Gettysburg Airport on a stand-by basis, until 1 o'clock Sunday afternoon. Both the Mack truck and the Rescue Truck will be at the airport in case of need during the period when the Aircraft Owners and Pilots Association members are here with their planes.

RECOMMENDS DIVORCE

Atty. J. Francis Yake Jr., court-appointed master, filed a report with the county prothonotary this morning recommending that a divorce be granted Charles W. Shultz, 29, of Orrtanna R. 1, from Sara Ann (Brown) Shultz, 28, R. 2, on charges of indignities.

TASTY PEACHES ON MART TODAY; OPEN TUESDAY

Tomatoes made their first appearance on the Farmers Market here this morning, while peaches, present in small numbers last week, appeared in larger quantities today.

Farmers announced resumption of the regular Tuesday market next week, after cancellation of the Tuesday session for two weeks because of the cherry harvest.

Early Red Frees and other early peaches, most of the Cline type, were available on most stands this morning. Prices ranged from 20 to 35 cents a quart box depending on size and quality. Flavor of the peaches was described as "of the best."

Green Peppers Appear

There were raspberries in fair quantities selling at 45 to 50 cents a quart box for the blacks and 30 to 40 cents a pint box for reds.

Peppers were another new item on the market today, with the green peppers selling at two for five cents.

Eggs jumped in price. Where egg prices ranged last week from 45 to 50 cents a dozen for the large size, the price today was from 50 to 55 cents a dozen for large, with prices on mediums also advancing about five cents a dozen.

Cherries continued plentiful at 30 cents a box, and there were some gooseberries at 25 to 30 cents a box.

Tomatoes sold at 15 cents a pint box, 30 cents a quart box on most stands. Most seemed of excellent quality and were of good size.

Summer Rambos Today

Apples continued at 25 cents a quarter peck, 50 cents a half peck at most stands. There were a few Summer Rambos, forerunners of the large numbers that will begin to arrive next week, with one attendant offering the Rambos selling them at 20 cents a quart box.

Potatoes were generally 15 to 20 cents a quart box, 30 cents a quarter peck, 50 cents a half peck. Bushel prices ranged all the way from \$3 to \$4.

Cucumbers continued to range from a penny apiece to two for five depending on size; red beans were ten cents a bunch; cabbage, ten and 15 cents a head; string beans were 25 cents a quart box; chicken was 55 cents a pound, 75 cents a pound for the best cut portions.

Flower prices included \$1 a dozen for gladioli; 50 cents a dozen for lilies, 25 cents a bunch for fox and 25 cents a bunch for snap dragons.

MISS G. CEASE DIES ON FRIDAY

Miss Gertrude M. Cease, 56, Timberlane Lodge, Fayetteville, died at 9 o'clock Friday night at the Warner Hospital. She had been in ill health for three years. She was admitted to the hospital July 16.

She was born in Orrtanna, the daughter of Mr. and Mrs. Maxwell Cease, who survive her. Miss Cease received her early education in Adams County Schools. She attended Shippensburg State Teachers College and also took a buying training course in New York.

A buyer for Pomeroy's store in Harrisburg, she formerly operated a millinery store in Gettysburg. For 16 years, until the time of her death, she operated Timberlane Lodge.

She was a member of the Orrtanna Methodist Church, and the Women's Bible Class. Funeral services will be held Tuesday afternoon at 2:30 o'clock from the Bender Funeral Home with Rev. Wm. Hollingsworth, her pastor, officiating.

Interment will be in Flohr's Cemetery. Friends may call at the Bender Home, Monday evening after 7 o'clock.

Vertebra Broken In Miller's Back

A fracture of the 11th vertebra was suffered by Bernard V. Miller, Gettysburg R. 1, when he fell from a platform at the Gettysburg Shoe Co., Friday, physicians at the Warner Hospital said after studying X-rays Friday afternoon.

Miller, Barlow fire chief, a salesman for Adams County Motors, deputy sheriff and operator of a bulk milk route, will be confined to bed for at least four weeks physicians said.

SMALL FARM SOLD

George B. and Rhoda S. Thrush have sold a 14-acre farm in Butler Twp. to John Henry and Carol Jean Fullerton, of Philadelphia. Possession is to be given July 28. Sale made through C. A. Heiges and Son, 127 Buford Ave. The price was \$12,500.

PAYS SPEEDING FINE

John Long, New Jersey, paid a \$10 fine and costs before Justice of the Peace Robert P. Snyder, Friday evening, on a charge of speeding filed by state police.

Get Figures On Vote

The Gettysburg Agricultural Stabilization and Conservation office, York St., was report center for 11 counties Friday evening for the nation's wheat quota referendum. Raymond Connolly Jr., Biglerville, district ASC official, is shown receiving the reports by phone. Aiding in the tabulation are Martin T. Walter, Biglerville R. D., at left, seated; Howard S. Schwartz, Littlestown R. 1, standing, and Roy A. Weaner, Gettysburg R. 4, at right. Walter, Schwartz and Weaner are the members of the county ASC Committee. (Gettysburg Times Photo)

Hit With Bottle, And Beaten By Gang

George Miller, Breckenridge St., was struck on the head with a bottle early this morning and after he received treatment at the Warner Hospital, he was "beaten by a gang of five." It was one of a series of fights which took place in the Third Ward early this morning.

Borough police reported receiving five calls from persons not involved in the early morning altercations which occurred in the W. High and Breckenridge St. area.

A patrolman said that in one of the scraps, "beer bottles were thrown, fists were swung, women screamed, and men cursed."

Miller was treated for a scalp laceration at 2:30 a.m. Police said he later was set upon by five persons waiting for him at the hospital entrance.

No charges have been filed.

ADAMS COUNTY FAIR TO OPEN ON AUGUST 10

A program of folk entertainment is scheduled for the seventh annual Adams County Fair, to be held at the fairground between Abbotstown and East Berlin August 10, 11, 12, 13 and 14, according to the premium list booklet issued today.

Stewart V. Walker, New Oxford, president of the fair association, said the featured artists will include Abbie Neal and Her Ranch Girls, popular Pittsburgh television artists; Wilma Lee, billed as America's No. 1 girl folk singer, and Stoney Cooper, listed as "ace of time fiddler" and "The Clinch Mountain Clan," who present a two hour show; Don Rodgers, comedy juggler and unicyclist; Bob and Jean Allen, listed as "Harmonics"; Jack Green, novelty musician; Doc Dougherty, puppet and doll act; "Dusty" Owens and the "Rodeo Boys" and The Stewart Sisters.

Have Evidence Fighters Shot Down British Skymaster With 18 Aboard Off Hainan Island

By FRED HAMPSON

HONG KONG (AP) — There is "substantial evidence" that two unidentified fighters shot down a British Skymaster airliner with 18 persons aboard which ditched off Red China's Hainan Island yesterday, the Hong Kong government announced today.

Hainan, which lies about 200 miles southwest of here, is the site of several large Communist military air bases.

Chief Stewardess Iris E. Stobart, one of eight survivors picked up by a U. S. Air Force Albatross rescue plane, said bullets were removed from two of the survivors at Kowloon hospital today. Two doctors said one man suffered what might have been a bullet wound, but that no bullets were recovered.

Believes Passengers Hit

J. Thorburn, Hong Kong Bank official whose wife was rescued, said a bullet struck her a glancing blow above the ear.

He quoted her as saying bullets splattered among the passengers and unquestionably a number were hit. He said his wife doubted that others were able to escape before the four-engine airliner went to the bottom of the South China Sea.

Newmen Barred

An official Hong Kong government announcement said "there is now substantial evidence that the Cathay Pacific Airways plane which ditched in the sea off Hainan Islands yesterday morning was

shot down by two unidentified fighter planes while on its normal route from Singapore to Hong Kong. Enquiries are continuing."

The announcement was broadcast by Hong Kong Radio. It gave no source for the report, but presumably the information was supplied by three members of the crew who survived.

Newsmen were barred from talking with survivors, but an official at Kaitak Airport quoted Pilot Philip Blown of Hong Kong as saying the airliner was shot down by fighter planes.

A report that Blown had identified the fighters as deadly swept-wing MIG jets could not be confirmed.

Colonial officials and airline spokesmen refused comment.

MANY PROGRAMS ARE SCHEDULED AT REC FIELD

Treasure and coin searches and a baseball game between minor and Little League representatives will high-light playground activities at Recreation Field next week.

Luther I. Sachs Jr., recreation manager, said today the Tuesday evening "Special Events" program at 7 o'clock will include treasure hunts for boys ten to twelve years of age and girls of all ages, and penny searches for boys and girls eight and nine years and youths seven years and younger.

Minor League players will practice Tuesday, Wednesday, and Friday mornings from 9:30 until 11:30 o'clock. A game between members of the Minor League and four selected players from each of the four Little League squads will be played Thursday evening, starting at 6:30 o'clock.

Leather Craft Instruction

Jack Corbin, arts and crafts director, said instruction in leather craft will be continued this week. He noted that any girl over ten years of age interested in making a kite to compete in the Friday, July 30, Kite Contest should sign at the Recreation Building by Tuesday.

Ivan Jeffcoat won the quilts' competition for boys ten to twelve years old. Tournaments still to be completed include: quilts, age six to nine, four left; quilts, eight left; checkers, six to nine and ten to twelve, five left in each bracket, and Horseshoes, age nine to twelve, four left. Tournaments will be concluded Monday.

Contestants for archery and tennis doubles—ten years of age and older—must sign Monday at the recreation building. Sachs said that if enough adult interest is shown the recreation association will organize an adult singles and doubles' tournament. Entrants may sign all of next week by contacting playground officials at 219-W. The playground is open from 9:30 to 11:30 a.m.; 1:30 to 4:30 p.m., and 6:30 to 8:30 p.m.

The ladder tournament in the tennis singles contest will continue next week with entrants still eligible to sign by Monday. Sidney Steiner currently is pacing the contestants.

Sachs announced that attendance for the week July 19-23 was 793, the second highest of the season. These figures, he said, do not include spectators to the baseball and softball games. Season high is 874 tallied the second week of the playground season.

Fasick C-D Head For York Springs

The appointment of Harry M. Fasick, York Springs insurance agent who has been active in C-D and Ground Observer Corps activities in that community, as director of Civil Defense for York Springs borough was announced Friday afternoon at Harrisburg by Governor John S. Pine.

Adams County C-D Director William G. Weaver, who recommended Fasick's appointment, said he is the second borough C-D director in the county but arrangements are being made to appoint a director for every borough in the county. The other borough C-D head is Cyril Weaver in McSherrystown.

BETTER RECORD BY GOC STAFF

Fifty per cent of the watches at the Gettysburg Spotter Station were manned during the week of July 13 through 19, Harold Brown, supervisor for the post said today.

James Sneeringer completed his first tour of duty as chief observer for the post during the week and Mrs. Sally Musselman completed her first week of duty as assistant chief observer. Brown said that the new observers and their spotters, "did a very commendable job."

Those who gave of their time during the period to guard the nation were Eleanor Wickerham, Betty Raymond, Barbara Campanaro, Mildred Walter, Mrs. Charles Bowers, Mrs. George Naugle, Betty Troxell, Virginia Troxell, Jack Evans, Thomas Evans, Frances Jacobs, David Jacobs, Betty Kenworthy, Wayne Kenworthy, Ann Jacobs, Eleanor Jacobs, Gwenn Jacobs, Roy Alexander, Thelma Alexander, Donald M. Musical Sunday At Mt. Carmel EUB

A special musical program will be held Sunday evening at the Mt. Carmel EUB Church at 7:30 o'clock with the offering to go toward paying off the \$109 debt remaining on the Orrtanna parsonage.

Those participating in the program will include Charles Ditzler, clavioline; William Howe, banjo; Dale Starry, trumpet; Charles Tressler, saxophone, and Wayne Walters, guitar. The men present a program under the name of The Claviolines.

LIONS TO MEET

The members of the Gettysburg Lions Club will meet Monday evening at 6:30 o'clock at Sheffer's Park, Biglerville Rd., with horseshoes and volleyball on the schedule for the evening. On August 2 a joint meeting will be held with the Rotary Club.

2 Cars Damaged But None Hurt In Crash

Two cars were damaged but there were no injuries in two auto accidents investigated by State Police Friday night.

One crash occurred 2 1/2 miles south of here on the Emmitsburg Rd. Police said Jesse O. Orr, 27, York, who was driving south at 10:35 o'clock, attempted to pass another south-bound car, saw a north-bound vehicle approaching, and, to avoid an accident, swung his car to the left, off the highway, and upset.

Damage amounted to \$250 to the car of James M. Metzler, 19, Shade Gap, when, police said, he swung his car to avoid another vehicle pulling out of a driveway into the Lincoln highway near the Caladonia drive-in. Metzler's car, west bound on Route 30, went out of control and ran off the side of the road into a ditch.

COUNTY COUPLE TO BE MARRIED THIS AFTERNOON

Miss Elaine R. Taylor, daughter of Mr. and Mrs. Harold E. Taylor, Arendtsville, will become the bride of Dale E. Ecker, son of Mr. and Mrs. Lloyd W. Ecker, Heidelsburg, at a double ring ceremony this afternoon at 2 o'clock in the Trinity Lutheran Church, Arendtsville. The ceremony will be performed by Dr.

Residents of the area, however, said the company representatives hastened to warn that all plans depend upon what is found as further test surface mining is conducted, and that while there is sufficient indication of supplies of ore to warrant further testing, only the results of the tests can tell whether there is sufficient proper mineral content to lead to large scale mining.

Enginers explained there is copper, iron and other minerals in the area, none of which are of sufficient quantity to warrant mining under present conditions if only one type of ore were to be removed. However, by using a segregation plant that could separate all of the ores, it may be possible that the county could become a mining center.

Mines were operated for copper in the area a half century ago, but none proved profitable.

Couple Weds This Evening In Emmitsburg

Those rights have been sub-let to the Banks Construction Co. for further test and possible mining. B. H. Snyder, Carlisle R. 5, president of Ridge Creek Gas and Oil Co., said. A core drill is expected on the site in about a week. Tests to a depth of at least 500 feet will be made.

Will Hold Reception

The bride will wear a blue ballerina length gown of taffeta with a white net overskirt, and a matching stole. White accessories and a pink rose-bud corsage will complete her ensemble. Miss Patricia Ott, a sister of the groom, will wear the maid of honor. She will wear a blue street length nylon dress with white accessories and a yellow rose-bud corsage.

The mother of the bride will wear a white and lavender nylon print street dress with white accessories.

Traditional wedding music will be played by the church organist, Mrs. Euphemia Rotering.

Following the ceremony, a reception will be held at the home of the groom. The couple will reside in Emmitsburg.

The bride attended Emmitsburg schools and is presently employed at the Gettysburg Shoe Factory. The groom is in the U. S. Navy, and is stationed at Norfolk, Va.

Local Photographer Is Operated Upon

Mrs. Walter B. Lane, a partner with her husband in the Lane Studios, York St., who underwent a major operation at the Warner Hospital this week, is reported expected to leave the hospital the latter part of next week.

James D. "Jimmy" Lane, 30-month old son of the local photographers, is suffering from Legg-Perthes, a disease of the left hip found in growing children. It is not found in adults. "Jimmy" will be fitted with braces which it is expected will correct the condition in about a year and a half.

CHURCH TROOP WINS

Boy Scout Troop 120, which won honors at Camp Tuckahoe this week in camp inspection Monday and Tuesday and the athletic and scout craft field meet Tuesday, is from St. Ignatius Catholic Church, Buchanan Valley. In the announcement of the awards winning the name of the sponsoring church was inadvertently omitted.

GUEST MINISTER

Dr. W. W. Barkley of Gettysburg, will have charge of the morning worship services Sunday at St. Paul's Lutheran Church, New Cumberland.

MISS ELAINE R. TAYLOR

George H. Berkheimer, Secretary of the Central Pennsylvania Synod, Harrisburg, before an altar banked with white gladioli and white carnations with palms and candelabra.

Given in marriage by her father, the bride will wear a gown of chintilly lace over radiant satin, featuring a fitted bodice, a mandarin collar trimmed with iridescent sequins and long sleeves tapering over the wrists. The gathered bouffant skirt worn over hoops will be of nylon tulle ending in a chapel train. Her fingertip length veil of imported illusion

ARMY OFFICER ACQUITTED BY COURT-MARTIAL

FT. DIX, N.J. (AP)—A combat-tested infantry officer today stood vindicated of charges he permitted trainees of his command to be held at ramrod-straight attention for nearly an hour in 92-degree heat.

A special court-martial board of eight fellow officers cleared Lt. Robert S. Morgan of Wilkes-Barre, Pa., of the allegation yesterday after he denied having had anything to do with the June 21 incident.

Still to be tried by court-martial is Morgan's administrative aide, Sgt. Richard J. Witbeck of Wellington, Ohio, who one recruit described as "sadistic" and the man he thought gave the order for the formation.

Morgan and Witbeck were formally charged with "dereliction of duty" and alleged mistreatment of personnel, after 225 trainees were kept at attention in the wilting heat of June 21 for an unexplained breach of discipline.

A number of the men, members of Co. L, 272nd Infantry Regiment, reportedly passed out in the hot sun.

The board deliberated an hour in acquitting Morgan after a two-day hearing.

The 28-year-old combat veteran, who was wounded in action in Germany during World War II, testified in his own defense.

He denied issuing orders as described. Other defense witnesses backed up what Morgan said.

Pvt. John Adler, 26, of Rye, N.Y., testifying for the defense, said he didn't hear Morgan issue any orders or see him in the area.

But, the Dartmouth College graduate accused Witbeck, 24, of being "very dictatorial and almost tyrannical."

GRANDMOTHER FOUND SLAIN

HAMMONTON, N. J. (AP)—An autopsy early today indicated that an elderly woman, tentatively identified as the grandmother of an exmental patient who is the target of a feverish manhunt, was stabbed and shot to death.

Burlington County Coroner Russell Stoddard said the victim, believed to be Mrs. Ellen A. Scott, 78, suffered multiple wounds of the head and body, apparently inflicted by 22 caliber bullets and a German bayonet.

A 22 caliber rifle and a blood-flecked bayonet were found in the abandoned car of her grandson, Allen Bodine Scott, 29, who has been missing since Sunday when he was last seen driving off with Mrs. Scott.

State Police spurred their hunt for the one-time mental patient in this sparsely settled area and advised police in Scott's old haunts in New Jersey, Florida and Mississippi to be on the lookout for him.

Magistrate Russell E. Montgomery of Washington Twp. Burlington County, swore out a fugitive warrant for Scott last night as authorities all but identified the old woman's remains as those of his grandmother.

York Man Faces Charge Of Bribery

George D. Shirey, York, on Friday was charged with an attempt to bribe his way into an appointment as York postmaster through Congressman S. Walter Stauffer.

A criminal information filed in the federal district court at Scranton charged Shirey with making an offer to Stauffer to donate \$10,000 a year to the Republican party if Stauffer would use his influence to procure the \$7,700-a-year postmastership for Shirey. The incident allegedly occurred last Dec. 5.

COMEDIAN TO WED

WATERFORD, Conn. (AP)—Television actress Joyce Meadows and TV comedian Steve Allen have announced they will be married July 31.

They filed marriage intentions here yesterday but wouldn't say where the ceremony would take place.

Miss Meadows gave her age as 29 and Allen, 32. Each listed a previous marriage which ended in divorce.

STATE WHEAT FARMERS VOTE AGAINST QUOTA

HARRISBURG (AP)—In a complete reversal from last year Pennsylvania wheat growers yesterday turned down high price supports and federal marketing quotas by a 2-1 margin.

However, the state totals were overruled by farmers of the nation who narrowly approved continuation of the controls. The quotas will apply in Pennsylvania as elsewhere in the nation.

An unexpectedly light state turnout—about 16 per cent of an estimated 17,000 eligible voters—resulted in about 66 per cent casting ballots against continuance. On the national level 66.7 per cent favoring quotas was necessary to make them effective for the second time in 11 years.

The complete unofficial state vote as tabulated by the State Agricultural Stabilization and Conservation Committee (one district from Adams County missing):

Challenge 360 Votes

For quotas—827; against quotas—1,606, challenged votes—360. Last year, with about 500 more farmers participating, the vote was about 64 per cent in favor of quotas.

"I just couldn't give any sort of reason for the turnout, since last year," commented C. E. Cassee, Herkese, committee chairman.

There were no eligible voters in Cameron, Forest, McKean, Pike, Susquehanna and Wayne counties. To be eligible a farmer must plant 15 acres of wheat to be harvested next year.

No votes were recorded in Elk, Greene, Lackawanna, Philadelphia, Sullivan, Venango and Wyoming counties.

Pennsylvania is the country's 18th biggest wheat growing state. The three big wheat counties in the commonwealth, Lancaster, York and Franklin, lined up solidly against quotas. The margins were 198-72 in Lancaster; 163-96 in York and 126-62 in Franklin.

Other Results

Cumberland County (72-63) favoring quotas) was the only county in the state with more than 35 votes going against the trend.

The state returns ran almost 2-1 against the quotas from the minute results began trickling in. Last year the result was exactly the opposite.

Clear and sunny weather throughout the state during the day, apt to influence farmers against leaving the fields to vote, was the only possible reason advanced for the light turnout at the polls.

Other counties recording large votes were: Lebanon 102-25 against; Lehigh 96-28 against; Centre 64-21; against; Berks 122-80 against; Adams 71-27 against; and Union 62-20 against.

PLANE ATTACK PROTEST FILED WITH RED CHINA

LONDON (AP)—Britain today instructed its charge d'affaires in Peking to protest to Red China against the shooting down of a Cathay Pacific airliner off Hainan.

A Foreign Office spokesman said "the two aircraft which attacked the plane could not have come from anywhere else than from Hainan, according to our information from Hong Kong."

The Hong Kong government said the CPA Skymaster flying from Singapore to Hong Kong, via Bangkok yesterday, was apparently shot down by two fighter planes off Hainan island, which is part of Red China.

Ten persons were presumed lost when the plane ditched in the sea. Eight survived.

Not Off Course

The British Foreign Office spokesman said charge d'affaires Humphrey Trevelyan had been instructed to prepare the note of protest in Peking. He said the note presumably would be delivered later today.

The Foreign Office declined to give a description of the two fighter planes.

Asked if the CPA airliner might have been off course, the spokesman said: "The plane was a considerable distance from Hainan." He said the British government was acting on descriptions of the incident as given by the pilot and co-pilot of the doomed plane.

EMMITSBURG CC
DISCUSSES PIN
DESIGN AWARDS

President Cloyd W. Seiss presided at the regular monthly meeting of the Emmitsburg Chamber of Commerce Tuesday evening in the fire hall.

A discussion as to designing a national pin or emblem suitable for adoption by all Chambers of Commerce in the United States was held and the matter was voted to be tabled until a future meeting. It is possible the Chamber will hold a contest for local artists who might be interested in submitting designs. It is likely a monetary prize would be awarded.

The president reported that with the exception of one, the welcome signs at the four approaches to the town were in good condition. The

most spots; Donald Arbogast, dog with the longest nose; Esther Shorb, cat with the shortest nose. The ribbons were presented by Mrs. Kay C. Sentz and Clayton L. Evans, playground instructors.

For the playground activities for the coming week, the children are asked to bring round ice cream boxes on Monday. They will make hat boxes, carry-all boxes, knitting bags and marble boxes from them. The work on the boxes will be done at the playground and the boxes will be colored and handles attached. On Wednesday, the boys and girls are asked to take cardboard and later in the week they will take cigar boxes which will be used to make jewelry cases and all-purpose boxes.

The recreation program will continue for about three weeks yet this season. The children are urged to attend the daily sessions and participate in the planned activities. A special event will be held again next Friday afternoon and announcement of the details concerning the event will be made later.

Harold L. Ecker, Gettysburg, brother of the groom, will be the

best man, Donald Miller, Biglerville, Owen Coble, Bendersville, Owen Taylor, brother of the bride, and Marshall Kuntz, Bendersville, a cousin of the bride, will serve as ushers.

Preceding the ceremony, Mrs. John Hauser will present a half-hour organ recital, and will accompany the soloist, Mrs. Richard Slaybaugh, who will sing "Through the Years," "I Love You Truly," "O Promise Me," and during the ceremony, "O Perfect Love." Mrs. Hauser will also play the traditional wedding marches.

The bride's mother will wear a nylon chiffon dress of pastel colors with black accessories and a corsage of sweetheart roses, while Mrs. Ecker will wear a mauve dress with pink and black accessories and a corsage of sweetheart roses.

Will Hold Reception
Following the ceremony, a reception will be held in the social room of the church, after which the couple will leave on a wedding trip of unannounced destination. Upon their return, they will reside in their newly furnished apartment at 33 East Middle St. The bride's going-away ensemble consisted of a navy and white dress with white accessories and a white orchid corsage.

The bride, who was graduated from Arendtsville High School is employed in the offices of Rice, Trewe & Rice Co., Biglerville. The groom, who was graduated from Biglerville High School, has been recently discharged from military service after serving three years, 18 months of which were spent in Germany. He is employed as bookkeeper for Dave Oyer Motors, Gettysburg.

India will be host to an all-Asian lawn tennis tournament in Calcutta in December 1955.

DIXIE BEAUTY
IS CHOSEN AS
"MISS UNIVERSE"

By JAMES BACON

LONG BEACH, Calif. (AP)—A freckled daughter of the Confederacy, who has more curves than the Dixie highway, today holds the twin titles of Miss U.S.A. and Miss Universe.

Miriam Stevenson, a 21-year-old college senior from Winnsboro, S.C., last night made the first grand sweep in the three-year history of the international beauty contest.

Runners-up to the winsome Southern lass were Maria Martha Rocha of Brazil, Virginia; June Lee of Hong Kong, Regina Ernst of Bremen, Germany, and Ragnhild Claussou of Sweden—in that order.

Got Her Luggage Too
Miss Stevenson not only was voted the world's most beautiful woman but also got back her luggage, lost ever since she arrived here a week ago yesterday.

She said that first of all "I want to thank South Carolina for giving me the opportunity to come here." Then to reporters she said:

"If you-all evah come down to South Carolina, I'll cook you the biggest heapin' plate of corn pone, hominy grits an' ham hocks you evah saw."

She said her victory came as a complete surprise to her.

Education Must Wait

"When I came here I wanted very much to win," she added, "but when I saw all these beautiful girls from all over the world all I could do was hope."

Miss Stevenson has blue eyes blond hair, stands 5 feet 6 and weighs 120. She measures 36 inches at the bust and hips and 24 inches at the waist.

In the movies she would be considered the wholesome, all-American girl type — healthy, handsome and happy. She says she has no steady boy friend.

Miss Universe said her senior year at Lander College in Greenwood, S.C., will have to wait a while because:

"I want to take a crack at this actin' business."

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

TEN YEARS AGO
John R. Hamm To Head State Rural Carriers: John R. Hamm, New Oxford, former president of the Adams County rural mailmen's organization, is slated to be elected president of the Pennsylvania Rural Letter Carriers' Association at the closing session of its 42nd annual convention in Altoona today. July 18.

For the last year he served as state vice president under M. F. Gallagher, Butler County, the retiring president.

Mr. Hamm was president of the Adams County branch of the state association when that organization, formed here in 1903, came back to Gettysburg in 1941 for its annual convocation. As county president, he was official host to the convention and presided at some of the state sessions held here three years ago.

Wounded Veteran Visits His Home: Pfc Dale A. Denisar, who was wounded March 11 during the Bougainville campaign, left Monday to return to the Walter Reed Hospital, Washington, D. C. after spending a three-day pass with his parents, Mr. and Mrs. J. W. Denisar, Aspers.

Denisar was shot in the right leg by a Japanese when the Japs staged a counter-attack. He has received the purple heart.

Given Award And Promotion: Charles B. Spicer Jr., 22, son of Mrs. Charles B. Spicer, Gettysburg R. 4, has been promoted to first lieutenant and awarded the fourth bronze oak leaf cluster to the air medal. It has been announced by the 15th Army Air Force headquarters.

A navigator, Lt. Spicer is stationed in Italy with the 15th AAF Liberator bombardment group and has participated in 50 long range bombing assaults against enemy railroads, airbases, shipping and industrial areas in Germany, France, Austria, the Balkans and northern Italy.

Countdown Promoted To Warrant Officer: Harry F. Biesecker, 26, son of Mr. and Mrs. Myles Biesecker, Cashtown, has been promoted to warrant officer according to word recently received by his parents.

He entered the service June 4, 1941, and received his basic training at Edgewood Arsenal, Md. In June 1942, he went overseas and served 19 months as an instructor in the American School Center in England. Later he was transferred to the European Civil Affairs Center.

Miss Horner Will Enter Training: Miss Mary Louise Horner, daughter of Register and Recorder and Mrs. Winfield G. Horner, Gettysburg R. 1, who has been employed as a clerk in her father's office in the court house, will enter training as a nurse on September 15, at Jefferson Hospital, Philadelphia. She will end her duties at the court house early next month.

Her position at the court house will be taken by Miss Doris Pinkbomer, daughter of Mr. and Mrs. Shelby Pinkbomer, 500 York Street, a member of the graduating class at Gettysburg High School in June.

Report Fewer Relief Cases In Adams County: The regular monthly business meeting of the Adams County Public Assistance Board was held Tuesday morning in the offices on North Washington Street.

J. H. Beard, new member of the board, attended his first meeting. Other board members present were M. Stuart Danner, East Berlin, chairman, Harold Reuning and Mrs. R. S. Saby, Gettysburg. Mrs. Donald Myers, director, also attended.

Mrs. Myers reported on the new increase for fuel, shelter and household supplies granted as aid to dependent children. In her report of the case load being carried at present, Mrs. Myers revealed that there are now 654, or 34 less than a year ago.

Local Soldier Helps Capture Two Prisoners: An account of how two German soldiers in the Cherbourg area "who wanted to surrender to someone" were taken into custody by a group of unarmed Yanks of the Medical Corps, including Sgt. Clarence E. Kitzmiller, son of former County Treasurer and Mrs. R. Blaine Kitzmiller, West Middle Street, is disclosed in a letter to the sergeant.

Today's Talk

ENTHUSIASM
It has been said by many that nothing great was ever accomplished without enthusiasm. I can well understand the significance of this statement, for it is a demonstrated fact. The flame of enthusiasm is one that comes from the heart.

In a biography of the great scientist Louis Pasteur, I came across a wonderful bit of knowledge as to the derivation of the word enthusiasm. It was said that we borrowed the beautiful word enthusiasm from the Greeks, from the words "en theos"—"an inward God." Ever since I read that, the name of enthusiasm has taken on new significance for me. You will note that where there is enthusiasm it's like a spreading fire, leaping in all directions.

What a world of happy achievements is possible when we realize that we have within our hearts "an inward God!" What difficulties to surmount, without complaint! What a wealth of hope stirred within us. With what enthusiasm then to attempt anything—even what many call the "Impossible!" As Eddie Guest once wrote: "It couldn't be done—but he did it!"

Enthusiasm is what people use with which to move mountains! And if the mountain doesn't move with enthusiasm in full force, the mountain isn't worth moving! How do you suppose Columbus ever could have struck this western world had he not had enthusiasm deep in his heart—and demonstrated it before his crew? Worthy revolutions feed upon the enthusiasm that their leaders create.

Two of the most noted and distinguished of all men with enthusiasm were Henry Ford and his friend Thomas Edison. One gave light to the world. The other made it possible for the millions to afford an automobile and enjoy the benefits of travel and the healthy out-of-doors. This great thing of enthusiasm made benefactors of these men, as well as it has in the cases of thousands of others.

Just Folks

"PULL THE ANK!"
When on a fishing trip I go,
I am the one the boat to row
And I'm the one on whom they bank
From time to time to: "Pull the ank!"

I am the one the bait to get,
The one to use the landing net
And the unhappy task is mine
To straighten every tangled line.

I string the fish for maids and men
And promptly bait their hooks again.
At sandwich time, engaged I am
To choose the chicken from the ham.

When lunch is served, I wash the dish
While others settle down to fish.
And all day long, with none to thank,
I heed the summons: "Pull the ank!"

Written from "Somewhere in France" on July 6, the airmail letter told of the incident in these words: "Funny little thing happened to a few of us the other day. We were riding along a road going to one of our aid stations when we saw two Germans coming toward us. One had a large handbag in one hand and a bottle of liquor in the other. The other fellow was carrying an overcoat under one arm and a large salami in his other hand.

"They wanted to surrender to someone so we put them on the jeep and turned them in a little later to the guards. One of them spoke English and said that he had once worked for General Electric back in the United States. This happened after the fall of Cherbourg when lots of Germans began to surrender."

Sgt. R. Palmer Is Killed First Day Of Invasion: Sgt. Richard Miller Palmer, 27 year old son of Mr. and Mrs. Lee Palmer, Littlestown R. 2, was killed in action in France on June 6, the first day of the invasion of France, his parents were informed by telegram Wednesday from the War Department.

Palmer, who was an infantry sergeant, is the first Adams Countyman reported killed on D-Day.

Willis L. Weikert Now Naval Officer: Lt. (jg) Willis L. Weikert, Seminary Avenue, arrived at his home here Wednesday on a leave of absence preliminary to reporting at Princeton University for an indoctrination course.

Lt. Weikert was inducted into the Navy on March 1 and took his boot training at the Great Lakes Naval Training Station in Illinois. He remained there until he received his commission.

ADVERTISE IN THE TIMES

CONGRESSMAN EXPIRES TODAY

WASHINGTON (AP) — Rep. Albert S. Camp, Democrat of Georgia, died at Bethesda Naval Hospital early today of a liver ailment.

Married and the father of two children, Camp would have been 62 years old Monday. He had been under hospital treatment a number of months.

The congressional veteran was first elected to the House in 1939 and has served continuously since then. He was the sixth House member to die since the present Congress was chosen in November, 1952.

Two Vacancies
His death, together with the resignation last Wednesday of Rep. Louis B. Heller (D-N.Y.), leaves the House lineup at 219 Republicans, 213 Democrats and 1 independent. All other vacancies except these two have been filled.

In the Senate overnight session, debate on the atomic energy bill was interrupted while Sen. Gore (D-Tenn), a onetime House member, delivered a brief eulogy on his onetime colleague.

Camp was born in Coweta County, Ga., part of the district he later represented in Congress, and got his early education in public schools there. He attended the University of Georgia, earned a bachelor of laws degree and settled down in 1915 to practice law.

His law career came to a temporary halt in 1917-19 when he served as a member of the American Expeditionary Force's 82nd Army Division.

Camp went on to hold a seat in the lower House of the Georgia State Assembly from 1923 to 1928.

Dillsburg

Mrs. Abram B. Lau, Franklin-town, whose husband is recuperating after recent treatment at Carlisle Hospital, has been a patient at the same hospital for further treatment of a severely crushed finger which was caught in an electric washer.

A son was born Monday at West Side Osteopathic hospital, York, to Mr. and Mrs. Laverne Bentz, Wellsville R. D.

Mrs. Willis Stough, Franklin-town, has been entertaining Mrs. Vesta Leathery, Washington, D. C. Mrs. Claude Wolf has returned to her Franklin-town home after visiting her elderly mother, Mrs. Mary Coulson, who has been residing in Harrisburg with another daughter, Mrs. George Rice.

The annual "all-day picnic" for families of the Bermudian Church of the Brethren and their guests is scheduled for Saturday, July 31.

Arlene Slaybaugh, Judy Farrence, Bonnie Shoemaker, Doris and Donna Weigle, and Patty Diener recently spent several days as representatives of the Franklin-town EUB Church at the junior camp at Rhodes Grove, near Greencastle.

The EUB Women's Missionary Society conducted a program at the church recently with a number of out-of-town guests present. Each guest contributed a feature such as a reading or vocal or instrumental musical number to the entertainment.

Resume Strike Talks On Monday

CLEVELAND (AP)—Goodyear Tire & Rubber Co. and the CIO United Rubber Workers have recessed until Monday their negotiations to settle a strike of 33,000 workers. During the past five days of the talks, no progress was reported.

The union's international president, L. S. Buckmaster, yesterday answered a statement by the company president which said the union discriminated against Goodyear workers by calling them out on strike and not striking U. S. Rubber Co. and other big producers.

Buckmaster said Goodyear was the first to challenge the union's wage demands, and should be the first to "bargain in good faith." He said it was "quite possible" the big rubber companies "planned their strategy so as to have 100,000 of our members out in the streets at the same time."

MILLION WILL VOTE IN TEXAS

DALLAS, Tex. (AP) — An expected million Texans cast their votes today in the state's primary elections in which most interest hinged on a bitter Democratic governor's campaign.

Polls were open 12 hours, from 7 a.m. to 7 p.m. CST.

The principals in the main show — Gov. Allan Shivers and Atty. Ralph Yarborough — waited on election results at their homes.

The Republican candidate for governor is Todd R. Adams of Crockett. He, like Senate candidate Carlos Watson of Brownsville, has no opposition from Republicans. The GOP is holding its fourth primary in Texas history, forced into it when Shivers, running on both Democratic and Republican tickets, polled more than 200,000 votes in 1952.

The Democrats traditionally have nominated candidates by primary vote in Texas, while the GOP has used the convention system.

Shocked Boy Dances Off Electric Charge

ROCHESTER, Minn. (AP)—Donald Krahn, 19, reached out of a shower stall to turn on the lamp. He was knocked unconscious by a charge of electricity. A brother pulled him from the shower and firemen revived him.

Donald, who had been getting ready for a high school prom, didn't let the jolt interfere.

The population of the United States increased 2,700,000 in 1953.

NEW ENDURANCE MARK SET FOR DIVERS SET AT CAMP IN OCEAN

MIAMI, Fla. (AP) — Skin diver Ed Fisher holds the world endurance record for camping on the ocean floor 24 hours 2 minutes.

He was still a bit tired today from the unusual underwater experience, but apparently suffered no lasting ill effects.

The lanky 26-year-old, a native of New York, said he did not intend to repeat the experiment in the near future. But he and his surface associates were jubilant over the outcome.

Skin Blue, Wrinkled
Fisher popped to the surface at 3:10 p.m. EST yesterday after spending a trifle more than 24 hours on the floor of a coral reef canyon 30 feet below the sea off Key Largo.

His skin was blue and wrinkled like a prune. His head and stomach ached and he drank lots of water.

There was a time earlier in the day when he thought he wouldn't make it. During the night hours the water sapped his body warmth and he felt cold and sick.

Shark Swim By
"Don't think I can stay down more than another hour," he told companions in boats above him in a message written with a grease pencil on slate. But the sun soon warmed him up and he stuck it out.

Fisher began his free dive at 3:08 p.m. Thursday and had no direct connection with the airy world above him. He hung his camping equipment on coral pinacles and pushed friendly fish aside.

Once a shark, described by Fisher's companions as "half as big as a submarine," swam slowly overhead, eyed the strange goings on in his domain curiously, then went his way.

Ate And Drank
Fisher drank soup, ate candy, and for breakfast shot a fish with

Indians Come From Behind To Beat Yankees In Opening Tilt Friday As Eddie Lopat Fails

By BEN PHLEGAR
AP Sports Writer

New York Yankee fans who have been waiting patiently, but confidently for Cleveland to fold look as if they are in for a long wait.

The Indians have two games left today and tomorrow in their current invasion of Yankee Stadium but they could lose both of them by 20 runs and still leave town Sunday night with first place in their possession.

They beat the New Yorkers 8-2 last night and they did it the hard way, coming from two runs behind while allowing the Yankees 14 hits. But it was a victory that left no doubt the Indians are dead serious about this pennant business.

Wore Out Before
The idea that all they have to do is wait and the Indian menace eventually will disappear has become firmly implanted in the minds of the Yankee followers although the records don't lend much support to the theory.

It's true the Indians have settled for second best the past three seasons and during that spell they found no sure way to halt the Yankees.

But only in 1951 were the Indians in first place this late in the race. That season Cleveland climaxed a drive from sixth by leading for three weeks late in August. But the climb wore out the Indians and they faded five games off the pace in September.

12 Men Stranded
This time it's the Yankees who are trying to reach the top and last night's game was a sample of the troubles they've been having. They left 12 men stranded and Eddie Lopat failed to last for the eighth straight game.

Al Smith was the hitting star for the Indians, breaking up a tie game with a three-run homer in the seventh and then driving in two more with a bases-loaded single in the ninth.

In other action in the American League the Chicago White Sox defeated Boston 7-1; Baltimore pushed Philadelphia into last place with a 7-5 victory and Washington beat Detroit 8-3, leaving the Senators only two percentage points out of first division.

2nd Loss For Giants
The New York Giants lost their second straight game—the first time since May 29-30 they've been beaten twice running—and second place Brooklyn also lost.

Milwaukee edged the Giants 3-2. St. Louis defeated Brooklyn 6-1. Pittsburgh beat Cincinnati 7-4 and Chicago and Philadelphia split a doubleheader, Chicago won the first game 5-2. The Phils took the second, 5-3 in 13 innings.

Two crowd records were set. The season's largest gathering, 61,446, watched the Indians win. The 45,066 who sat in on Milwaukee's victory, established an all-time County Stadium record.

Braves Win Again
The Braves fans saw their favorites win on a pinch single with two out in the ninth by Bobby Thomson, who was making his first appearance against his former New York teammates. Thomson's hit was his third in four official times at bat since he broke his ankle in spring training. Bob Buhl flashed his form of last season in going the distance for his second success.

Rookie Joe Cunningham helped Vic Raschi win his first game since June 15 as he drove in three runs with a homer and a double. Gil Hodges and Sandy Amoros homered for Brooklyn.

Danny Schell of the Phils hit a home run in the first game and broke up the second in Chicago with a bases-loaded single in the 13th inning. Howie Pollet, making his first appearance since July 11, was the first game winner. Robin Roberts picked up the second game decision in relief.

1st Pirate Win
The Pirates' victory was their first this season in Cincinnati. Sid Gordon broke up a 4-4 tie with a pinch homer in the seventh inning. Chico Carrasquel collected three hits as the White Sox began picking up the pieces after losing three of four to the Yankees. Harry Doris picked up the decision with flawless relief support from Virgil Trucks after seven innings.

The Senators climbed on Al Aber of the Tigers for five runs in the first inning and Chuck Stobbs never gave Detroit a chance to catch up. Roy Sievers hit a two-run homer, his 16th, for Washington.

The Orioles, losers in 15 of their last 17 games, found some one they could beat when they tangled with the Athletics. Chuck Diering's two-run single in the sixth provided the winning margin.

The junior national sailing championships will be held at the Macatawa Bay Yacht Club, Holland, Mich., beginning Aug. 30.

Thirteen runs in the third inning enabled the Elks defeat the Eagles 24-13 Friday evening in a Softball League game. The win boosted the Elks' average to an even .500.

Final scheduled games will be played Monday evening and both hold importance in deciding the line-up of the four teams for the annual playoff tournament. It is possible additional playoff games will be needed to determine final positions, the outcome of Monday's games holding the answer.

The Eagles outlived the Elks Friday night, 16-15, and secured the only homerun, one by Hawn. Kane led the Elks with three singles and a double. McDonnell poked a pair of single and triple for the Eagles.

PHILADELPHIA (AP)—The University of Pennsylvania has agreed, at long last, to join in the list of NCAA-controlled nationwide telecasts of football games, and will share the video spotlight next Oct. 30 with Penn State.

The Penn-Penn State game will be played at Franklin Field. It will be the first nationwide telecast of a football game played by either school since adoption of the NCAA program three years ago.

A statement by Athletic Director Jerry Ford said last night that "Pennsylvania will televise because its alumni, the public and its opponents wish it to do so, and because additional income will accrue to Penn State University, and Pennsylvania from the telecast rights to the game."

One report here was that Penn as the host school, would receive \$75,000 for its share. Penn had a substantial deficit in intercollegiate athletics funds last year.

Penn, bitter foe of the NCAA control program when it was instituted, has contended that the basis of control is illegal. Ford's statement last night said "the university counsel believes there is no illegality involved in an agreement to televise, and that legality is questioned only in the case of an agreement not to televise."

"Pennsylvania has not and will not enter into an agreement not to televise."

The Eagles captured the championship of the Big Little League Friday evening as they won their fifth straight without defeat by defeating the American Legion 8-5. The champions have but one game remaining while holding a three-game lead over the second-place Legion.

Six runs in the last of the second inning provided the Eagles with their margin. The Legion battled back in the late innings but could not muster enough punch to pull the game from the fire.

Heffner, Wheeler and King each rapped out a pair of safeties for the winners while Keefe secured two of the six hits gained by the Legion. Carl Little, winning hurler, gained his second decision in as many starts.

Friday's Score
G. L. Bream Garage 9; Lions 2.

The second season for Little League baseball here came to an end Friday evening when the Glenn L. Bream Garage team defeated the Lions 9-2 in a well-played game.

The garagemen got off to a fast start by scoring two runs in the first frame. Eckert walked and scored on a wild pitch. An infield miscue put Fissel on base and a single by Riddlemoser and another infield error produced the second run.

The Lions secured their lone tallies in the second inning when Weikert and McCartney opened with singles and, with one out, Ahrens lined another single to center to drive in one run as the other came on a Bream error.

Three Lion miscues, a single to B. Swope and a double to deep center by Eckert, produced three runs for the G. L. Bream outfit as they pulled ahead 5-2 in the top of the fourth. The garagemen put the game on ice in the sixth as they tallied four more runs in the last frame. Two errors and singles by Fissel, Riddlemoser and B. Swope figured in the uprising.

Joel Riddlemoser and Bill Swope led the winners at the plate as they each secured three hits. Rick Weikert sparked the Lions with a pair of safeties. Riddlemoser showed exceptionally fine control on the mound as he fanned five, walked one and allowed only one hit.

Ahrens started for the Lions and did a fine job but got into a jam in the sixth and was relieved by Hankey.

GENERALS DROP FOOTBALL; END SUBSIDIZATION

LEXINGTON, Va. (AP)—Washington and Lee University, a charter member of the Southern Conference and football king of the circuit in 1934 and 1950, has abandoned intercollegiate football until such a time as it can be re-established on "an amateur basis" with schools of a like mind.

Cancellation of the Generals' 1954 football schedule and an end to athletic subsidization were announced late yesterday by W&L President Francis P. Gaines after a meeting of the school's Board of Trustees in Washington.

A Little Sudden, Wise Says
Although a straw in the wind had been tossed out July 7 by the Board of Trustees' Athletic Committee, which voted to continue football but said a de-emphasis program would begin as soon as possible, yesterday's action caught this college town by surprise.

Head Football Coach Carl Wise, signed to a three-year contract in February 1953, was visiting friends in Washington, unaware of the situation.

Advices Some Skill In Cooling Tires On Summer Days; Good Idea To Carry Own Tire Gauge

By FREDERICK C. RUSSELL

A certain type of driver could make roads safer by merely staying off them.

Pausing Saves Blowouts

When I tell you that an ordinary set of tires will completely disintegrate in a matter of minutes on a car driven 100 miles an hour when the temperature is 100 degrees Fahrenheit perhaps you will not think it strange that I have so often suggested pausing to let the tires cool off on a hot summer day. Tire temperatures often run around 200 degrees. Remember that brimstone melts at 248 degrees.

A little skill with the cooling operation will help. Here I am reminded of the driver who, suddenly catching sight of a nice cool spot beside a brook, slammed on the brakes for a stop and rest. This of course heated the tires still more, so that by the time he raced through the gears for a resumption of the trip, after a five minute pause, the tires were about the same temperature they were before—possibly hotter. Coasting to a stop is smart. So is a slow take-off.

Just a further reminder is to carry your own tire gauge, a good quality one that is accurate. People are much too rough with filling station gauges and that is why there are so many tires with too little or too high air pressure.

Picked Up Enroute

Rumors are that there will be a return engagement of the pain of having the motor fan cut out at

higher speeds to save power . . . Perhaps you already know that there are some 27 items on the car which can be operated by a power system . . . There's a portable cooling system for use in pulling down car temperature as much as 20 degrees on a hot day. One special car built in 1940 had a transparent plastic top.

Watch For Those Clues

In trying to put the finger of decision on the cause of some car ailment the seasoned analyst learns to look for chance remarks on the part of the owner while he is explaining the symptoms. Thus it was that recently I discovered what was causing a mysterious knock in the engine of a friend's car. This job had been to the shop several times without success. The knock was similar to a ping but much more severe. Yet there appeared to be no mechanical conditions that would account for the pounding on up grades.

Then I caught a ray of hope. In talking about his latest experiences with the car the owner happened to mention that he could check the noise by pulling out the choke partially. That was the tip-off. Obviously the mixture was much too lean. Checking we found that there was a too low carburetor float level. The fuel pump's pressure was up to par, otherwise choking would have had no effect.

Mechanic Joe Speaking:

"There have been improvements in lubricants for rubber parts, and this points up the importance of not being too ready with a quick

cure if a rubber shackle or bushing starts squeaking. It has been entirely practical to use brake fluid for this sort of lubrication but only in moderation. Since brake fluid tends to collect dirt some of us feel that it is best to avoid oiling rubber shackles unless the noise is persistent. Under no conditions use petroleum oils for rubber parts.

On Switching Gasolines

One of the most difficult things to do is testing different kinds of gasoline where there are only your own reactions to help with the rating. Here we are swayed by a number of considerations, not the least of which is the weather.

I recall one case where an owner tanked up with a new gas and did not realize that the engine knocked because the weather suddenly turned hot. I have seen owners fill up with a gas they saw advertised and then call attention to how wonderful the engine behaved. My guess was that they just happened to be very relaxed as a result of having just had a good dinner.

Our minds can play quite a few tricks when we are trying to size up a new product. The speed traveled, the nature of the trip, the load carried all are factors coloring the true picture. Engineers get around all this with testing equipment, and they are never satisfied until they have exhausted every possibility.

That Neglected Engine

A cheer or two should be in order for the trend toward improving the appearance of the mess under the hood of the modern car. Latest are the chrome plated steel tubes which replace the rubber radiator hoses, chrome plated spark plugs, chrome head nuts and the glamorized air cleaners. Perhaps some day an owner will once again feel a sense of pride when he lifts the hood to show a friend what makes the wheels go round.

Easy With Those Plugs

Automobiles have reached the point in efficiency where the way a spark plug is cleaned or handled during inspection or servicing may change its characteristics and present some real trouble for the unsuspecting motorist. Mishandling during cleaning is fairly common. In fact, one lad who had no business using the sand blasting machine knocked off some of the insulating material at the end of two plugs of his car and thus caused them to run cooler. The two respective cylinders then started to foul these particular plugs, and skipping began. It is also very important to give plugs just the right elbow grease when putting them back into the engine. That is why a torque wrench should be used for the job. If the shell is twisted through over-tightening point gap may be changed. A bad gasket will allow compression leakage, and thus encourage oil to suck up from the crankcase into the cylinder. Accidental use of two gaskets for one plug will make it run too hot. That may bring on backfiring through the carburetor on hills.

Risk in Those Fumes

I do not know what the present ratio is but tests some years ago showed that two out of every three cars on the road had something wrong with the exhaust system. With so much greater exhaust pressures and high speed it is reasonable to believe that the situation is no better today than it was before we had such enormous heat machines under the hood and so much more chassis vibration from high speeds. Much is said about the hazards in carbon monoxide which may get into the car because of exhaust system leakage but the truth is that a far greater hazard lies in fumes which, leaking from the oil filler pipe, blow back into the car. There is much carbon monoxide in such smelly vapors. Such vapor leakage calls for new rings. Temporarily a flexible tube can be attached to the oil filler pipe to carry the fumes off under the car.

In The Motor Mail

Q. All summer I have been trying to find out why gas mileage is so low on my car. Have had the carburetor rebuilt, the ignition timing is well advanced and I have been following a number of special driving rules. Still there is no material improvement. H. B. G.

A. Judging by the age of this car and your statement that you have never had the motor re-ringed I believe you will find that the low mileage is due to low compression.

Q. My car is one of those with a fluid drive unit and a mechanical

clutch right behind it. When I press down the clutch pedal there is a definite squeal. Does this indicate that fluid is leaking from the fluid coupling into the clutch? H. F.

A. No. The noise means that the clutch release bearing is defective.

Q. I recently bought a used car which has the annoying habit of pulling to one side when I apply the brakes. The lining isn't greasy and the hydraulic system checks. There is no evidence of a warped brake drum. Wm. L. D.

A. The next step would be to check to see if the linings on the front brakes are of different types.

Q. The lights on my car are dim all the time, even though I have checked all connections and find them in good order. The generator is charging all right. K. L. C.

A. It is quite possible that the trouble here is with the battery itself. It may be nearly discharged due to an internal short.

Q. Is there any way to guard against breaking windows of a new car when locking it up? There seems to be so much compression

due to tight fitting windows and doors I am afraid I will get into trouble when slamming the last door shut. Mrs. J. W.

A. Some motorists leave one of the windows open just a crack enough to allow air to escape.

A more satisfactory plan is to open the ventilator for the heating system. This also allows air to escape if the car is parked in the hot sun.

Q. For the past few days the starting motor has developed the habit of spinning after the engine starts. Does this indicate anything serious or do you think that it will

IRATE M'CARTHY WON'T ASK OK ON MORE AIDES

WASHINGTON (AP)—An angry Sen. McCarthy (R-Wis.) said today he will no longer ask the Pentagon to okay any of his aides for access to secret information.

McCarthy's declaration came on the heels of a new Defense Department refusal to clear Thomas W. LaVenia, a McCarthy appointee on the Senate Investigations subcommittee staff, for access to classified documents, or to explain its reasons for withholding clearance.

And LaVenia, telling his side of the story to his Senate bosses, reported he believes his Pentagon

correct itself? J. J. G.

A. On your car there is an over-running type starter drive. The spring inside this drive apparently is broken. Better have the entire drive unit replaced immediately.

Q. I have been troubled with brake squeal. Other than replacing the lining what can I do about this? We have tried cutting back the ends of the linings a little. Special care has been taken to make sure that the brake shoes are properly adjusted. T. A. P.

A. If you will check carefully you may find metallic particles from the drums have become embedded in the linings.

Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 Fern St., West Hartford, 7, Conn., and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

West Berlin's Security Chief Heard On Red Radio; Probe Is Demanded; Kidnaping Claimed

By ROBERT TUCKMAN

BERLIN (AP) — A West Berlin custom guard said today West Germany's missing security chief, Dr. Otto John, told him Tuesday night at the East zone border he was going behind the Iron Curtain voluntarily.

The guard told police he had stopped a car with John and a West Berlin friend, Dr. Wolfgang Wohlgemuth, for a routine check at the British sector border and had given them the customary warning: "You are now crossing into the Soviet sector."

Both men laughed at his warning and replied: "That's where we are heading. We are going to the Charlie Hospital," the guard said. Police said they believed the statement of the guard, who was not identified.

Chancellor Konrad Adenauer has ordered a sweeping loyalty investigation of all West German officials who were friendly with John. Pressure for a full inquiry into the apparent defection of John has mounted since the Soviet zone radio claimed last night he had voluntarily fled behind the Iron Curtain.

Claim Kidnaping
Since 1950, John, 44, had headed the West German government bureau charged with safeguarding the republic against subversive activities.

The West German government has maintained since his disappearance became known Thursday that he was kidnaped by the Communists. The U. S. High Commis-

sion said after an investigation that he was "trapped or forced" to go East.

The West German Free Democratic party, a member of Chancellor Konrad Adenauer's coalition government, demanded an investigation of the Federal Republic's security forces.

Biggest Scandal
The party chairman declared: "The decision to put John in charge of security activities was apparently wrong."

One major Hamburg paper commented: "This is the biggest scandal the young West German Federal Republic has experienced until now."

Bonn officials refused comment after hearing the Red radio had introduced John to read a statement "to my German compatriots." The statement said he defected because he was under continuing attack. It added:

"Germany is in danger of being torn apart forever by the conflicts between the East and West."

"It needs demonstrative action to call up all Germans working for unification."

The voice sounded clear and calm. Germans in West Berlin said they were reasonably sure it was John's.

There appeared little doubt the case was a major blow to Allied intelligence operations in the Soviet zone of Germany. Allied officials admitted they may be forced to revamp their intelligence networks.

MURDER TRIAL IN CANADA IN ITS NINTH DAY

PERCE, Que., (AP)—The murder

trial of Wilbert Coffin went through its ninth day today as the prosecution reviewed in grim detail the events leading to the slaying of three Pennsylvania bear hunters.

There were indications the trial would run many more days before the evidence is all in. Coffin, 40-year-old prospector, is charged with the murder of Richard Lindsey, 17, whose mutilated body was found last July with those of his father, Eugene, 47, and Fred Claar, 20, a friend, all of Hollidaysburg, Pa.

So far the prosecution has called only 29 of an estimated 105 witnesses it intends to present. The defense is expected to call about 100 persons.

Yesterday, Donald Davis, a Gaspé service station attendant, testified that Coffin and Richard Lindsey drove into the station sometime after June 8, 1953. He said Coffin told him he had been out in the woods "with a fellow who wanted to get a fuel pump fixed."

"Singing A Song"
Mrs. Jerome Babin, 20-year-old housewife, said she saw Coffin climb from his overturned pickup truck "singing a song" June 13 near Caplan, Que., 140 miles southwest of Gaspé. She said canned food, an ax, pick, eggs, cans of milk, coffee and kitchen equipment were strewn over the road after the truck overturned.

Several witnesses traced the progress of the hunters as they headed into the Gaspé bush to hunt bears that later ate parts of their bodies. Others traced Coffin's movements during the month of June, when the hunters were slain.

French Assembly Okays Cease-Fire

PARIS (AP)—The French National Assembly approved the Indochina cease-fire last night by a sweeping 471-14 vote.

An Assembly resolution, expressing satisfaction at the outcome of the Geneva conference, said the cessation of hostilities was "due, in a large measure, to the decisive action" of Premier Pierre Mendes-France.

During debate the Premier clashed with ex-Foreign Minister Georges Bidault, who attacked the Indochina settlement as another Munich — the 1938 agreement which split Czechoslovakia and paved the way for Nazi aggression.

Bidault had headed the French delegation at the three-month Geneva conference during the early unsuccessful stages of the negotiations. Mendes-France took over the premiership from Joseph Laniel with the pledge he would bring the Indochina war to an end by July 20 or resign.
